Meet your trainer

Sue Donkersley

Scomis Product Specialist

My teaching style is relaxed, ensuring delegates feel at ease, understand the context behind what they are learning and being flexible to accommodate delegates needs.

I have worked for Scomis for over 22 years and have 32 years' experience in Education.

My specialist subjects (for training)

- Examinations including Results Analysis and Domestic Examinations
- School Administration
- Core MIS

Key roles in my career:

- Education & Product Specialist
- Schools Account Manager
- MIS Consultant
- Schools Visitor/Trainer
- Service Desk (Secondary Specialism)
- Adult Education
- Assessment and Examination Officer

What else do I do at Scomis apart from training?

- High Level Support
- Examination Officer Network Meetings
- Administrative Meetings
- Account Management
- Scomis User Groups

My passions and pastimes outside the office:

- Family
- Walking
- Dementia Support
